Manufacturer's Directory

Air Logic®

Precision regulators, pressure and vacuum switches, check valves, orifices and accessories

Alkon Corporation

Air valves, flow controls, brass and composite fittings

Anko Products, Inc

Peristaltic pumps, gear motors

Arrow Pneumatics

Valves, FRL's

Automatic Valve

World-class air valves, controls and accessories

Aventics

Pneumatic components and systems

Bi-Lok

Dual and single ferrule tube fittings in stainless and brass

Clippard

Minimatic® valves, solenoid valves, isolation valves, pinch valves, proportional valves, cylinders, fittings, modular valves and manifolds

CPC® (Colder Products Company)

Quick disconnect couplings for medical, biopharma, semiconductor, instrumentation, food/beverage, acetal, polypropylene, polycarbonate,

(CPC continued)

polysulfone, PVDF, PTFE, PE, steam-in-place, aseptic and hybrid

EDCO USA®

Vacuum generators, cups, sensors and systems

Fabco-Air

Original Pancake® cylinder, NFPA cylinders, slides, multi-power cylinders, grippers and specialty valves

FasTest®

Ergonomic and quick economical connectors for vacuum and leak testing

Freelin-Wade Co.

Specialists in urethane/plastic tubing

Generant, Inc.

Relief valves, check valves, needle valves, instrumentation valves and regulators

John Guest®

Push to connect acetal and polypropylene fittings, stop valves, diverter valves and plumbing fittings

JUN-AIR®

Air compressors, vacuum pumps, dryers, systems and clean and quiet

Leroy Plastics

Tube extrusions, bonding, PVC tube molding, tube, pipe and hose forming, custom tube coils

Mem-co

Miniature barbed air fittings for science and industry

305 Island Road, Mahwah, NJ 07430

One Company...One Complete **Solution**

Motion Controls, LLC

NFPA Cylinders, OEM Cylinders and Feed Controls

Parker/RECTUS

Quick disconnect couplings, brass and stainless steel

Peter Paul Electronics Co., Inc.

2- and 3-way solenoid valves, specialty, latching, thermoplastic, miniature valves and manifolds

Renco, Inc.

Ergonomically designed pneumatic and electric two-hand no-tie-down controls

Rubber Fab

Hygienic gaskets, biologic indicators, smart gaskets, hose assemblies, tri-clamps and fittings

Saint-Gobain

Tygon® food, chemical, medical and surgical tubing

Spartan Scientific

Inert isolation valves, solenoid valves and manifolds

Springville Mfg. Co.

Low-profile cylinders, tie-rod cylinders and air-oil tanks

TBL™ Performance Plastics (Thermoplastic Biologics)

High-purity, performance plastics, single-use-systems, clean-room assembly, Class VI tubing, silicone, surgical, Urethane, Vinyl, FEP, PFA, PTFE, co-extrusions and fabrications

The Specialty Manufacturing Co.

Ball valves, check valves, needle, miniature and specialty valves manufactured in plastic and metal

VNE Corporation

Sanitary, stainless steel fittings, valves, tubing and specialty products

Welco Co., Ltd.

Peristaltic pumps and stepper motors
